華麗なる王宮絵巻、新連載ついに王さま登場

第1話

In my dream, I heard a voice...
I do not know whose voice it is...
Is it a voice of a man or a woman?
I do not know.
But I do not even know if it was really a voice or if I really heard it...

Only a clear will with a clear language keeps echoing in my head.

DIE!

Chirp

SFX Rustle
.....
...it hap-pened again
My clan is called..
Oracle.

Good morning!
Good morning!
Reguna-sama
Good morning!
Ah, mor-ning
Step
Mor-ning
.....
?

Morning
Rante
Yo!
Morning, "Angel".
Well well
Already complaining this early in the morning!
How many times have I told you that sitting here is dangerous and yet you are sitting here again!
WHAT?!
That's not the problem...
Your Majesty
Our Angel is here!
Your Majesty
Looks like I'm right!
?
Reguna...
Uhm...
Ah...
?

It's useless to place that guy as a watchman!
Uhm
"That guy"?
We're talking about Paris
He didn't stop you at the gate?
Nope He wasn't there
I see...
Argh! That idiot!
He's really hopeless...
Your Majesty...
The preparations are now complete It's now ready to launch I will start the count-down...
WHAT?! Three!
What...
Is that thing?
Two!
Hmm

How should I explain it ...
It's that thing ...
You know
WAIT! HOLD ON!
I'M NOT MENTALLY PREPARED!
One!
WAIT!
STOP!
Tell me ...
Now!
Oh
It will launch soon
AH!
SFX: push
SFX: Boom

SFX: thud

WHAT ARE YOU GUYS DOING?!
That's not true...
Like I said...
The original plan was...
To compress the air under the vase and then re-- lease it...
Catch
And Rante would catch the vase from his position.
So...
The pressure, height, and angle have been thoroughly calculated

Why were you keeping this a secret from me
And to go as far as to have a good-for-nothing guy as a watchman?
Uhm... It's because...
If I told you about it, you would have gotten angry.
The fact that you hid it from me makes me even angrier!
IN THE END, YOU ARE STILL ANGRY!
Idiot!
Moreover, I've told you countless times
That you should leave that kind of develop-ment to the military
I just told you that it's not a weapon!
It's common knowledge that someone of your position shouldn't get involved in dangerous experiments!
Please realize that you are this country's king...
If the senate gets word of this incident, heaven knows what they will say!
Worse comes to worst, you Your Majesty, might also be suspected of having some kind of untrust-worthiness with the military

I know
Of the conse-quences
Well, then
Alright! That's enough
Let's end it here!!
End of discussion Topic closed!
The important thing is that there were no casu-alties.
Jeez Angel...
If you are that angry, His Majesty will be even more secretive with you.
But..
So.
You need to talk to him calmly Try not to be so emo-tional
!

Hm
Excuse me!
Your Majesty, everyone has assem-bled...
Please make your way to the hall
Got it...
Let's go
Okay.
What's today's agen-da?
Lord Feruman Matroze wants an audience
And the senate as well
Okay, got it.
SFX : Swoosh

You look like you are deep in thought
Are you still displeased of what happened just now?
If you look unhappy, His Majesty will feel unhappy as well
Don't worry
I just woke up from a bad dream this morning
A dream?!
That's quite unexpected coming from you
Unex-- pected?
Well

I didn't expect that...
Angel could be perplexed by a dream.
I've always pictured you as a person that never feels perplexed about anything
"There is no doubt in the angel's words...
For those are the words of God."
I sense sar--casm...
.....
I didn't mean it like that at all...
Though I'll admit that there is a deeper meaning to it!
SFX: tap

SFX: Clank
SFX: creak
SALUTE!

We are the blades of wis–dom
Gathered here by the decree of heaven and holding to the way of heaven, we offer our bodies to you

WE PLEDGE OUR LOYALTY TO THE EMPEROR!
WE PLEDGE OUR LOYALTY TO THE EMPEROR!

Thank you for your patience
Deberto ...
I'm sorry for making you come all the way out here
Don't worry about it, it's alright
I have nothing important to do right now anyway...
On the other hand, I know that our Angel is very busy, yet .
You spe-- cially spared some of your time to come to the senate

So what brings you here?
I want to talk to you.
Oh! You want to discuss something with me?
Haha! I feel honoured.
What is it?
I had an Oracle's dream.
When did you have it?
This morning...
No...
I had it before, but the voice was very vague...
However, these past few days, it has become very clear.
Have you reported this to His Majesty?
.....

Well ...
What is this Oracle's dream about?
Was it bad?
Well
It speaks of killing
Oh no, forgive me ...
If it was something that you could report to His Majesty, you wouldn't have come to see me, right?
...
Speaks of killing?!
Yes
Just one word...
"DIE"
From the strength of the voice, I do not think the owner of the voice is far away That is all I can tell
The problem is ...

There are no other clues
Yes
So you're saying
Someone close to His Majesty is trying to kill him...?
Right.
However, I don't have any solid evidence.
His Majesty will not listen to me if I tell him to be cautious just based on a voice I heard in my dream.
I'm sure he won't either
In our generation, an Oracle used to have absolute authority
Unfortu-nately, the numbers of Oracles have been gradually decreasing over the years
That's really unfortunate, especially when many utter the same word, the impact is very strong...
One man's word would only be seen as fooli-shness.
.....

You are one of these people hence you come here to see what you can do
On top of that...
These past few days, you have been thinking
About how to figure out who the voice's owner is...
And the fact that you can't let His Majesty be aware of this yet
Am I right?
The dream is an absolute truth for them and there would be no room for doubt
Having said that, it's completely different for the people that received an Oracle's dream
.....
It's just as you say

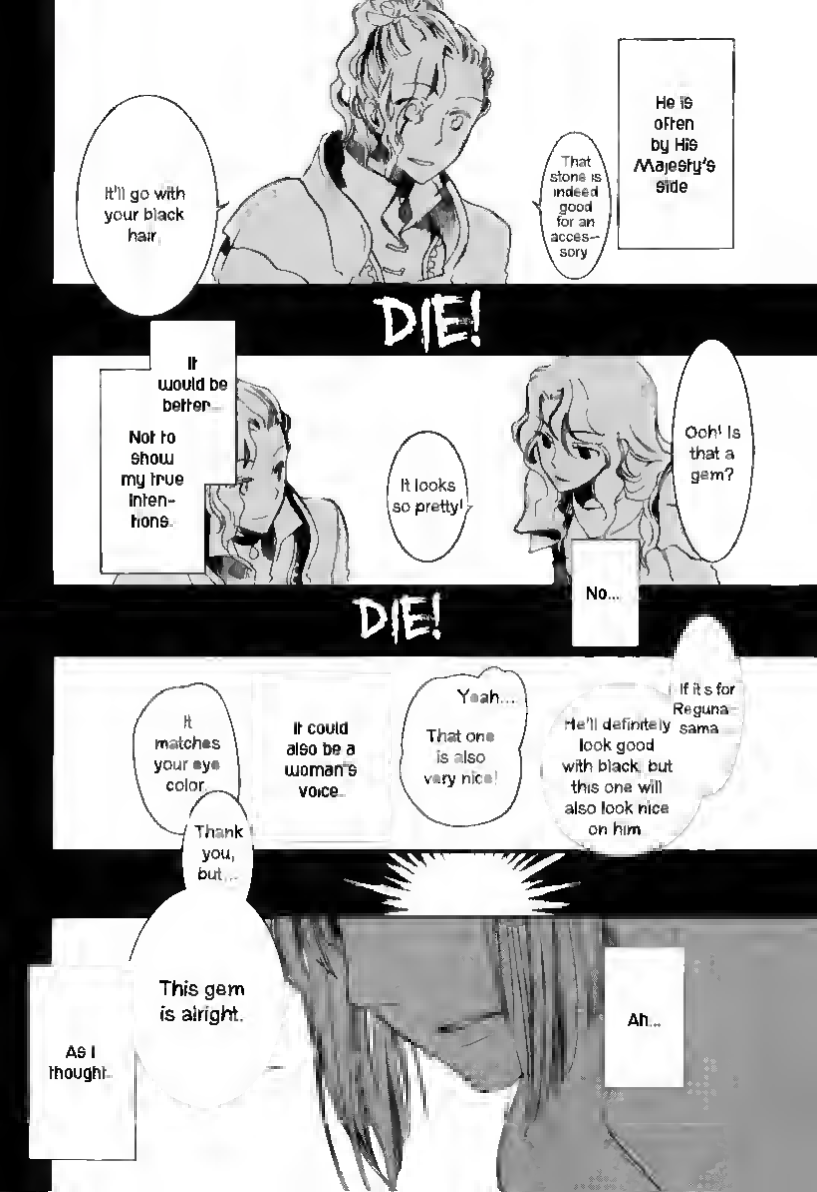
How about
Reguna
.....
An Aruo-sumente* ritual ?
Would you like to attempt one?
T/N. Aruosumente literally means Sage's dream.
!
What
An Aruo-sumente
Ritual?

I do not know if it is a legend ...
Or just a rumor .
Anyways ...
From what I've heard ...
It is some kind of a divination ritual...
And if you do it right, a sage-like kind of thing will appear in your dream
I see...
Nowa-days, that divination ritual has been abo-lished...
But before... that ritual was used widely, just like an Oracle's dream
The method was quite simple...
You only needed to sleep while holding a philosopher's stone that was wrapped in a holy white cloth
But because of the simplicity of the method, the results would depend greatly on the capability of the summoner...
What do you think? Is this way more reliable than some strange ritual out there?
.....
Reguna ...
I think your Oracle's dream is right...
But the problem is that we cannot let others know about it yet

In that case...
It wouldn't be a bad idea to consult with other sages who have experienced the same dream
Having said that, right now...
If there are still people who can have an Oracle's dream
Perhaps you are the last one...
Reguna
DIE!
Who does that voice...
Belong to?
Oh?

Who are you going to present it to?
You're wrong
It's for myself
You don't need to lie. That's quite a big gem!
Angel's buying a gem?
What a rare sight!
And it's black.
What are you planning on using it for?
Ehm
The book said it is better to use a black gem
Huh?
It's no-thing
How much is it?
It's
This much
Shocked
Oh,
I see!
It's a philo-sopher's stone!

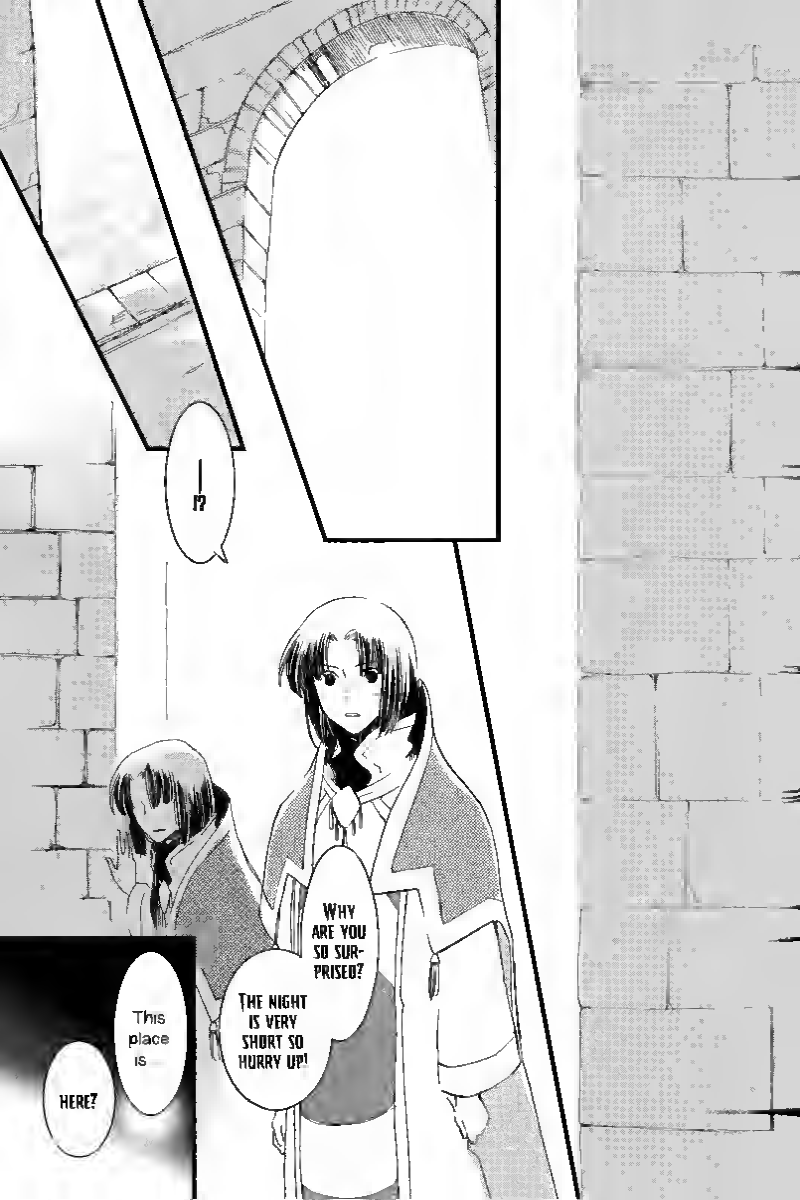
Love Divinations?!
The Aruosumente ritual is very popular for love divinations!
Be-cause you bought that stone!
Why do you think that?
Huh?
Uhm
You must have a girl that you have your eyes on!
To be reduced to this extent . . .
I would have never guessed that you'd have one
Who's the lucky princ-ess?
Whoa!
What then?
Are you going to use it as an acces-sory?
Huh?
You're not?
I'm not using it for a love divina-tion
That's right. This stone is going be used to attempt an Aruosumente ritual.
Ah, but...
.....
You're right...
I'm going to use it as an acces-sory.
Oh.
He might also be the owner of that voice.



He is often by His Majesty's side
That stone is indeed good for an acces-sory
It'll go with your black hair.
DIE!
It would be better... Not to show my true inten-tions.
It looks so pretty!
Ooh! Is that a gem?
No...
DIE!
It matches your eye color.
It could also be a woman's voice.
Yeah... That one is also very nice!
If it's for Reguna-sama... He'll definitely look good with black, but this one will also look nice on him.
Thank you, but...
This gem is alright.
As I thought.
Ah...

I need to do something about that voice.
I have prepared ...
A black philosopher stone and a white holy cloth.
I just need to hold it while I sleep and it will work just fine.
Then...
Dark abyss of the night...
From the bottom of chaos and confusion.
9

SFX. Clap Clap
COME.
AND...
LET US START...
REGUNA.



—!?
WHY ARE YOU SO SURPRISED?
THE NIGHT IS VERY SHORT SO HURRY UP!
This place is
HERE?

THIS PLACE IS...
INSIDE YOUR DREAM.
I AM...
A SAGE THAT LIVES IN YOUR DREAM.
COME REGUNA...
I'LL LISTEN TO YOUR PROB-LEMS.
Who is this Sage...?

《アルオスメンテ／スプレッド》

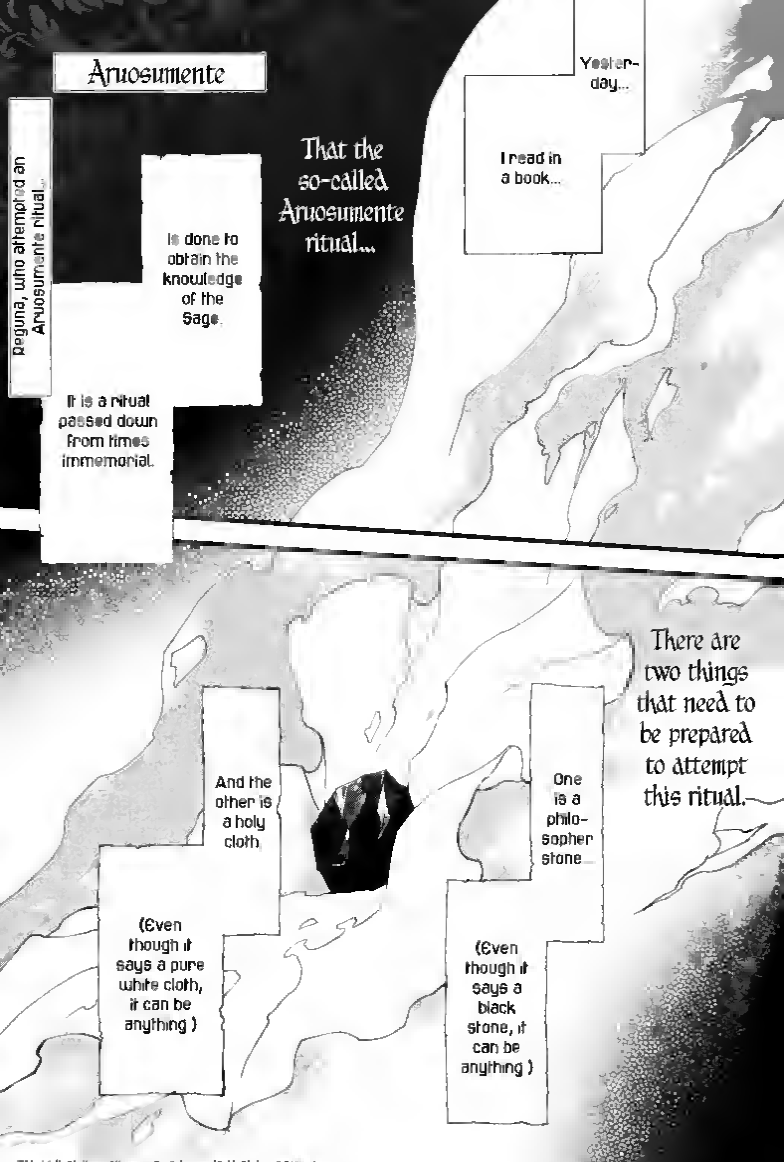
賢者の夢とは、かつて神託と同様に扱われたもので、賢者の石を聖なる布に包み抱いて眠ると、賢者が夢に現れ、様々な知恵を与えてくれるといわれている。

《あらすじ》

神託を受けることのできる一族に生まれたレグナ。皇帝に仕える彼は、ある神託を受けた。誰の声か分からない、しかし明確な意思を持って「死んでしまえ」と告げたその声には皇帝に対する殺意が感じられた。

不安にかられるレグナであったが、皇帝は気楽な日々を過ごす。皇帝の身辺を気にかけるレグナは、元老院の重鎮の一人、ディーベルトに相談する。

元老院は皇帝にとっては疎ましくても、レグナにとってのディーベルトは信頼できる人物だったからである。ディーベルトは、神託の真意を知るために「賢者の夢」と呼ばれる古より伝わる占いを試すように進言する。レグナは彼の提案通りに「賢者の夢」を試し、夢の中で賢者と出会うのだが…。



Aruosumente
Yester-day...
I read in a book...
That the so-called Aruosumente ritual...
Is done to obtain the knowledge of the Sage.
It is a ritual passed down from times immemorial.
Reguna, who attempted an Aruosumente ritual...
There are two things that need to be prepared to attempt this ritual.
One is a philo-sopher stone...
(Even though it says a black stone, it can be anything)
And the other is a holy cloth.
(Even though it says a pure white cloth, it can be anything)

TN: What it really means here is that by saying "holy cloth" or "black stone" might have a deeper meaning to it

The summoner will use the holy cloth to wrap the philosopher stone...
And hold it with both hands in front of their chest and sleep...
A Sage will then appear in their dream.
I am...
A Sage who lives in your dream.
I am here to listen to your problems.
He will...
Show you the way...

DO YOU WANT TO KNOW?

Aruosumente

BY AKI

Chapter 2

Is this really the inside of an Amusements?
Or is this just a dreamland I made from my own imagination?
I can't tell ..
The only thing that I can understand is
This place is inside of a dream
.....
.....
I want to know
Who the voice belongs to

The voice with the killing intent?
Yes...
His Majesty's safety is my responsibility
I won't let anyone
Bring him any harm
.....
I see.
There is no room for objection.
But of course!
That is the reason I came here
You have prepared a nice stone
The size is also excellent.

Stone
Cloth ..?
Par don?
Stone ?
It is of good quality, although there appears to be a slight blemish in the color.
And the cloth is made of silk.
Is he talking about those things?
Since you have gone to this extent in the preparations, you should have prepared a purer white cloth.
To be able to reach this stage without any basic knowledge is impressive...
With some effort, you should be able to create a good dream.
.....
Does the quality of the stone and cloth influence the content of the dream?
Most definitely. I wouldn't be asking you to prepare any useless items.
If the stone was of poor quality, it wouldn't make a good foundation for the stage.

The Stage?
.....
What kind of theory will be able to connect all of these?
Am I imagining things? Or is this really happening?
Could it be that he really is the Sage?
There is nothing wrong with the foundation of the stage.
Yet.
Yet...?
It's a pity...
Your capability is lacking.

Look around this room
It's more about the amount of knowledge you have
Lacking...?
Ah.
When I say lacking, I do not mean it is your talent.
This Aruosumente.
Is not perfect
That is all.
Pardon me?
Do you understand?

What is missing?
Why is it missing?
Come back here after you have found the answers to these questions.
The cards ?
Your current self will not even begin to understand the meaning of the cards
If you don't even know about the cards, there is no way we can continue on with our conversation.
If you..
Challenge an Aruosumente like this..
...DO YOU HAVE A DEATH WISH?

"The cloth is made of silk"
A dream...?

"It is of good quality."
"Although there appears to be a slight blemish in the color."
Indeed...
There really is a light shade of blue to it.
.....
For common people
This is what we call white
He's too attentive
I cannot completely...
Trust that dream.

After I did some research...
Hmm
I found out that I really do not under-stand a lot of things
However
I can't completely doubt it either
How to call the Sage...
Various ritualistic tools
The sacred act.
Sacred
Oebe-ruto..
He did act as an Oracle
If that's so

Does this mean that using common knowledge to deal with this will be reckless?
There it is—
The cards—
Is this it?
22.
Page numbers...?
What language is this?
Beru-gu
That's not quite right.
It's the ancient language of Beru-guana.

Oh, it's you, Paruteen.
Don't scare me like that
SFX Clatter
SFX give
What is this?
Tarot Cards...?
Hey!

Don't just take those books without asking me first!
I haven't read them yet
That one is the fully trans-lated version.
While this one here is in the ancient Beruguana language
Do you prefer to read this one?
No, no thanks.
And...
If you want one about the Aruosumente, this one is easy to understand.
This one and this one are about legends...
You can't use them as refe-rences
Also, this one is an economic book
Although the title is "A Sage," the content does not have any relations to Aruosumente at all
ひょい
ひょい
ひょい
SFX: Slide x3

Do you still want to read them?
No, no I don't...
Then I'll put them back on the shelves
So fast
SFX Thump
Paru-teen...
Do you know a lot about Aruosu-mente rituals?
Though I have zero interest in it...
But if it's only the information from the books in here, I do know all about it.
That's a lot.
Do you know what are those tarot cards?

Are there any books there concerning an Aruosumente ritual?
I took the books because they were on the same shelf as the others, but...
SFX Slide
SFX Thump
First...
Let's start with the basic structure of an Aruo-sumente
SFX flip

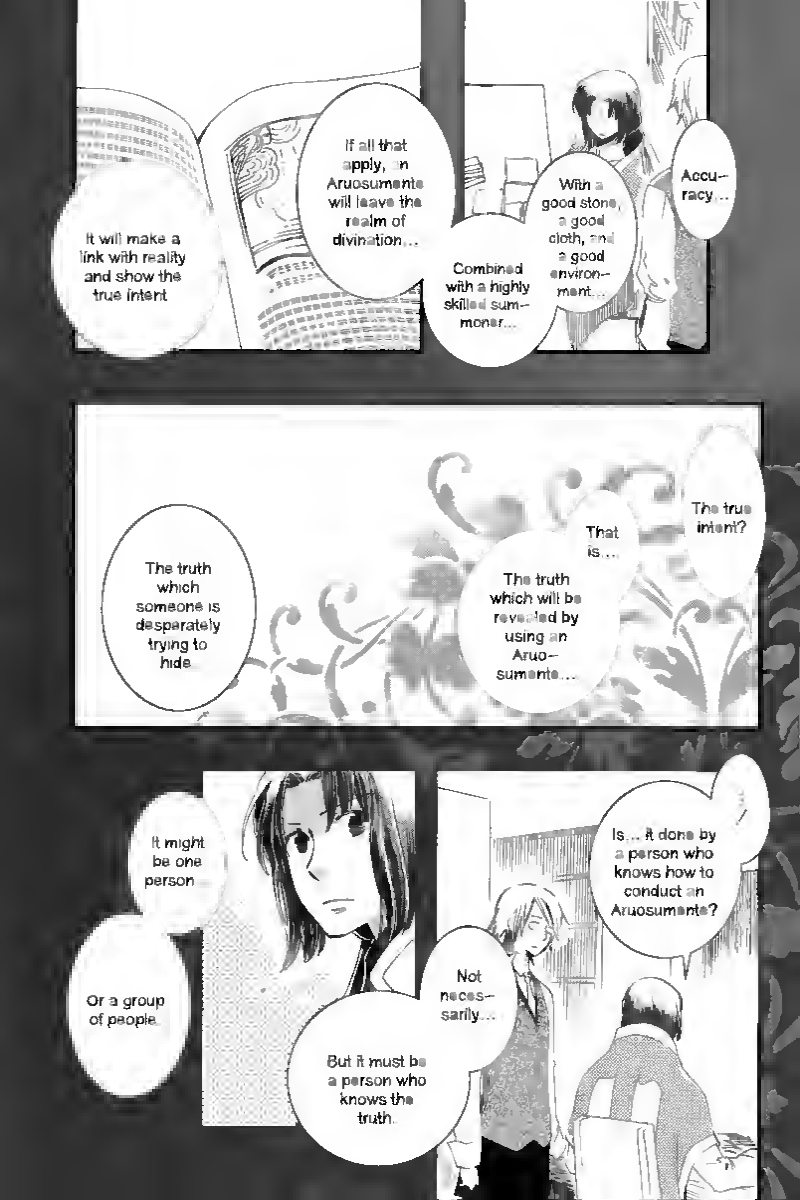
This part...
A philo-sopher stone.
Enables the summoner's questions to be answered
The bigger it is, the darker it is, and the more precious it is will determine how much information you will get
It will also increase the precision of the directions. It is the key which determines whether you will get an accurate answer from the Sage
SFX flip
Next is the white holy cloth
The color is to cover the world that is reflected by the philosopher stone
White represents a pure heart and the deter-mination to solve the mystery
Then comes the structure of the dream...
A round stage...
And round pillars
The Sage comes out from the reflection of the summoner's heart.
The heart's Sage?
Don't worry
If you have any questions, I will answer them at the end
.....
It is mentio-ned in a previous example that

In the middle of the Aruo-sumente's stage ...
There is a round foundation in the shape of a table ...
A table?
There was no such thing
The Sage will commence a trial for the summoner at this table ...
And the thing which is used for the trial are...
Tarot cards
These 22 cards are called Major Arcana.

SFX: Clap
That is all.
Do you have any questions?
.....
What if...
There is no table?
.....
There was no table?
Oh!
No...
It's not about me...
.....
If...
There is no table in the dream...
The only advice I can give you is...

If you are not prepared to die...
It would be better for you to give up as soon as possible
It looks like you have gained more knowledge
This time..

With a very strong will stopped it from appearing
Because someone
Not bad.
Then why is it missing?
It's the Sage's table
Do you now know what is missing?
In order to...
Prevent me from seeing the truth!
...In other words...
The accuracy of the dream is too high.



It will make a link with reality and show the true intent
If all that apply, in Aruosumente will leave the realm of divination…
Combined with a highly skilled sum-moner…
With a good stone, a good cloth, and a good environ-ment…
Accu-racy…
The truth which someone is desperately trying to hide
The truth which will be revealed by using an Aruo-sumente…
That is…
The true intent?
It might be one person
Or a group of people
But it must be a person who knows the truth.
Not neces-sarily…
Is… it done by a person who knows how to conduct an Aruosumente?

Your dream is very strong.
Once you summon the table, there will be no turning back.
You will only have one choice and that is to look for the truth..
And to shatter someone's will.
Even so...
Are you still going to do it?
The truth that I want to bring out is the form of the perpetrator of that killing intent
After I know the truth, there is only one thing I want to do and that is to stop its killing intent

Anyone who is afraid of me doing this...
Has to be His Majesty's enemy.
SFX: fwooosh

I am asking you one more time.
Do you understand...
The meaning of "there will be no turning back?"
SILENCE!
SFX crackle

...Such strong resistance!
He really does not want you to see the truth.
SFX: prick
There is no other reason!
There is a possibility you might be right.
This is how much he wants to murder His Majesty
Even if...
I have to put my life on the line, I will stop it!
COME FORTH!!
SFX: prick

SFX prick
SFX all prick
It appe-
ared.

This is your table.
...PREPARED TO DIE?

Because you are trying to expose a secret which someone is so desperately trying to hide
Depending on the extent of the other party's effort...
If you make a wrong move, the situation could worsen
Of course, it does not mean you will definitely die
But there is a possibility, right?
Exactly...
Once the table has been summoned...
The secret must be exposed...
Hence the next question would be...
In what kind of order will you expose the secret...
To turn the 'wheel of fortune' in the right direction.
You must arrange 1 to 9 correctly.
This is...
THE SAGE'S TRIAL.

《あらすじ》

神託を受けることのできる一族に生まれたレグナ。皇帝に仕える彼は、とある神託を受けた。誰の声かも分からない、しかし明確な意思を持って「死んでしまえ」と告げたその声には、皇帝に対する殺意が感じられた。

不安にかられるレグナは、元老院の賢族の一人、ディーベルトに相談する。

元老院は皇帝にとっては疎ましくても、レグナにとってのディーベルトは信頼できる人物だったからである。ディーベルトは、神託の真意を知るために「賢者の夢」と呼ばれる古より伝わる占いを試すように進言する。

レグナは彼の言葉通りに「賢者の夢」を試し、夢の中で賢者と出会う。出会った賢者は彼に試練を課した。テーブルを出現させ、1～9を正しく配置するというその試練に、困窓を隠せないレグナは。

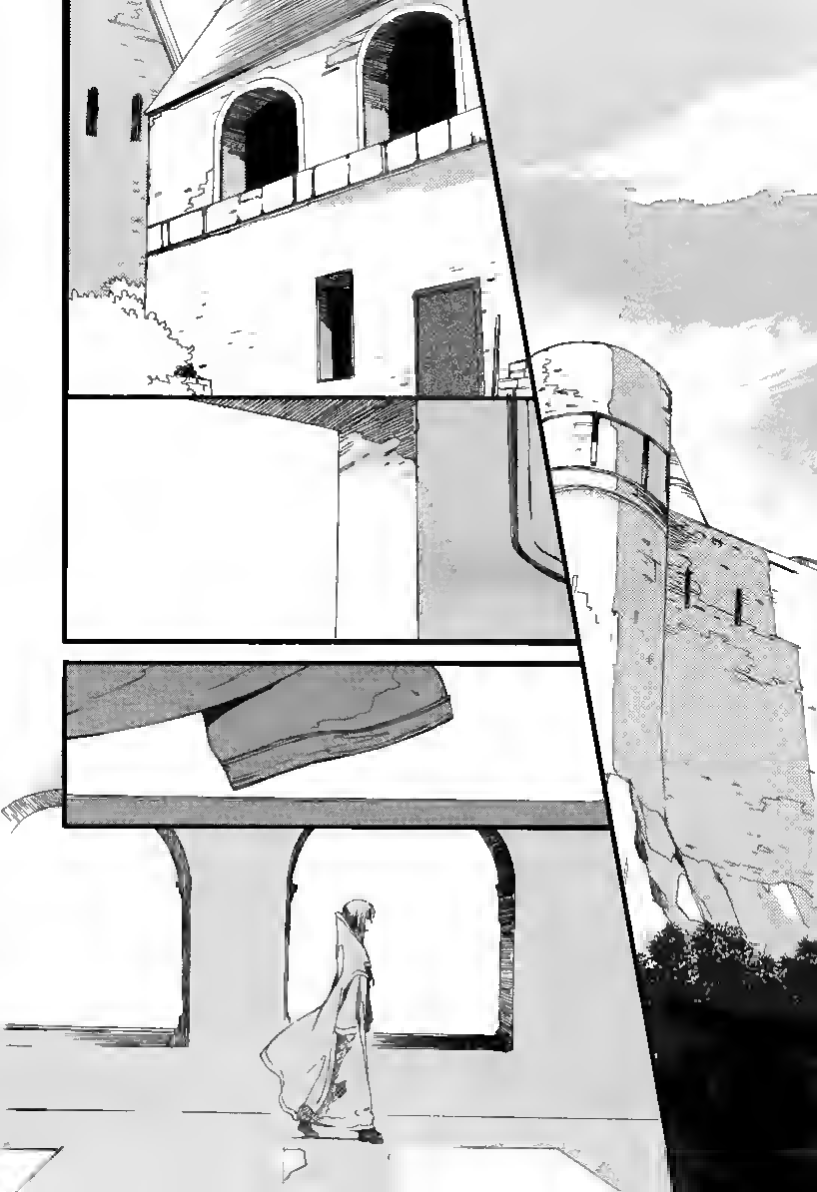
Chapter 3
あき
Aki



On the table
There are 10 frames
From 0
to 9
They are matched with the card's number

The cards
Are tarot cards?
Right.
In your world...
There will be various players who enter the stage in correspondence to the cards that fit these frames.
?
For example:
Card number 4...
The Emperor...
Means control.

Who is the one who corresponds to this card in your heart?
The Emperor...
His Majesty...?
If you already have a candidate for it in your heart...
Just place the card...
On the 4th frame.

SFX: cluck
The writing...!

This is
His Majesty's name
You have to...
Arrange these 10 cards...
This is your trial.
Will it end after I finish placing all the cards on the frames?
Exactly.
Nevertheless, you will fail the trial if any of the cards do not match up with the right players.
...Then how about that number 4 card? Did I place it correctly?
It's hard to say...
The table is merely reflecting your will.

THE CHARIOT
VII
THE LOVE
VI
...?
In short.
What you need to do is place each of the 10 cards in the right spot.
The wrong placement of the cards...
Would signify that you haven't really perceived your world as it truly is.
If you chose an unsuitable placement...
The wheel of fortune will not turn successfully.
Only when the wheel of fortune turns successfully...
Will you have passed the trial.

SFX: Creak
.Oh?
Good morning, Angel
You are very early today
I always come at this hour
It is you who is early, Ranta
Haha

it happened again...
It's been happening a lot lately.
Last night, a group of bandits went on a rampage again.
I sent out my men in response.
Yeah.
Although, in emergency, I have the power to mobilize the army by my own judgement without authorization.
But this is no different than ultra vires.
PR/N ULTRA VIRES MEANS BEYOND THE POWERS MEANING IT CAN BE DONE WITH LEGAL AUTHORITY
So I have to write a letter to justify my actions and a letter of apology for my actions since last night.
Excuse me.
It would be great if the senate would let such matters go with just this letter of justification.
Do you need any help?
Thank you.
But no, I'm already finished.
If I knew that Angel would come to help me, I would have written it slowly.
:
ヤッホー

Other than His Majesty's seat...
There are 7 other seats...
But sadly, it is already done...
At His Majesty's side...
There are 7 courtiers
.....
Excluding me, there are only 6 people left
The numbers won't add up to 10 ..
In other words, among the 10 placements on the table, some of them are not His Majesty's confidant courtiers.
Then again ...
The confidant courtiers may not necessarily be suitable to place them on the table ...
This makes..

It will be just fine if I could just find out whom the voice belongs to.
But now, it has become such a huge job...
The range
Of the candidates is greater than I anticipated
DIE!
From that day onwards
I didn't know whether my thoughts have changed or disappeared
I haven't had such a strong oracle's dream since then...
But it has not completely disappeared
One-

There is still about an hour before the council starts.
Really?!
Great!!
Now... What's the time?
Is it done?
Yes, it is...
I'll go take a nap in my chamber...
I'm sorry if I can't wake up before the council starts...
Oh...
You really mean it?!
And i'll submit this to the senate
Don't worry.
I'll wake you up ten minutes before it starts...

We are a match made in Heaven!
That's why
Although you are an excellent person, you always say too much nonsense
Rante
Even though you are stubborn and brittle, deep down, you really are a good person
Angel
I'm so happy! Thank you!
You
Don't have to make such a hateful expression!
JUST GO TO YOUR CHAMBER!

Then...
Whether an Aruosumente is a success or not...
We still don't know, do we?
No...

I understand your feelings of wanting to find the enemy as soon as possible and to forestall him.
But do you think it will go as smoothly as you hope?
However, we have succeeded in confirming the existence of the obstructionist.
That is true. We can also see that as a big progress.
So... how is it going in regards to the trial?
Do you have any idea about the rest of the candidates?
About that...
I'm confused. I really don't know what to do.
Hey, hey...
You're not being serious, right?

You do know that is of vital importance, do you not?
I know...
I only have my obstinate thoughts to blame
Thoughts?
Deberto, do you know anything about tarot cards?
Huh?
Oh!
Though I don't know the details...
They are cards with pictures on them that are used to perform divinations, are they not?
Yes, they are.
Every card has its own number and name
The Magician is number 1.
The Empress is number 2.
From 0 to 9
Other than card number 4, The Emperor...
I have no idea about the rest...
And then
I need to figure out who is most suitable for each card, but...
But...?

Ah...
Furthermore, there are still The Lovers...
Who might those lovers be...?
There is also The Chariot. I don't see any connection between that and a person.
Speaking of The Magician, it's not like there is anyone who can use magic...
I simply cannot understand...
These kinds of things that rely on perception
But no matter what...
I understand that from one card, we can "read" many kinds of implied meanings.
Since it is used for divination...
...
Don't they seem just like these kinds of things?
For example when we look at the clouds, it looks like an animal...
Or when we look at the stars, we are able to see a dog, a bear, etc...
Hmm...
They are similar to that, are they not?

Now that you mention it ...
You have always been like this ...
A stone is a stone. You have no imagination at all
Regunal! Look! What is this!
A stone ...
It's a stone ...
It's not a stone!
It's a rabbit!
Regunal you stone head!!
Quite true ...
I often made His Majesty angry because of that.
Oh yes, you surely did
Well ...
There is no helping it if you are not good at it ...
I'll read more books to understand more about its meaning and hopefully I can get enough knowledge to solve this
Alright, let's do that!
Regardless...

Whether or not I understand the meaning of the cards
This is the worst possible situation to be in
It doesn't change the fact that I don't know who the owner of the voice is
Where can I supposedly protect His Majesty...
In what kind of situation will I not be able to protect him...
And in the situation where I will be absolutely unable to protect His Majesty
Who will
Suddenly draw his sword?

Yawn~
Rante...
Pardon?
That was the 20th time
Yawning
Oh...
Did I yawn that many times?
Yes, you did
I have been counting them
Your Majesty...

That's right...
The report submission regarding yesterday's bandit group has been completed
It has been accepted and reviewed by the senate's Deberto
Well, we don't have any important matters to discuss today...
Let's end this early!
Is that so...
Me too
Same for me
I also don't have
Anything to report
Oh!
.....
There is nothing...
To report from the library either

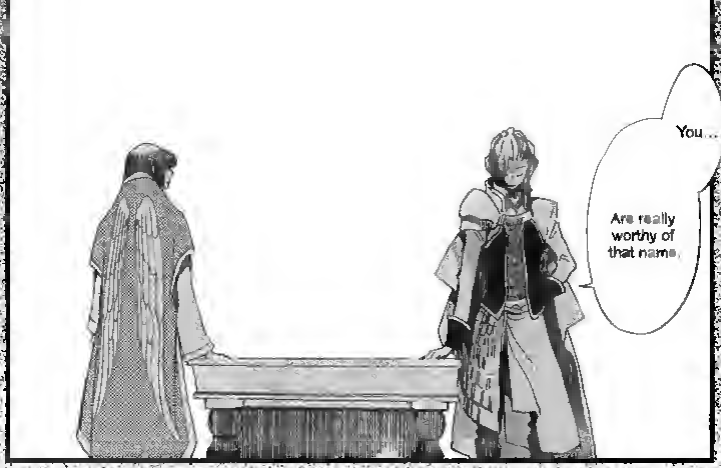
The black knights...
Also don't have anything to report
I see
Dante...
Sometimes you need to speak up to report to His Majesty for yourself
You can't always depend on your little brother
.....
Then there is no problem.
You're right...
However
Ranie...
You are also being too easy on him
...Haha.
I'm sorry.
It's just that it has always been like this...

Hold on, Regina!
It's not an emergency case. We can discuss it at tomorrow's council
SFX: bow
This bill proposed by His Majesty...
There is something that needs to be checked.
The rest is fine
hmph
There shouldn't be any problems with it!
Why is it that it's only my bill that always seems to have a problem?!
Like I said before...
We can't misuse the important research and development funds.
To produce a machine that His Majesty wants to make for fun.
WHY'S THAT?!

Yeah...
It started...
The routine...
"Ending early"
Has now become impossible
HAVEN'T I TOLD YOU IT IS NOT FOR FUN?!
If it's for the military's development, then that is even more reason that Your Majesty should not get involved.
Do you want the senate to meddle in this?
I SAID IT'S NOT A WEAPON!!
SENATE! SENATE! SENATE! WHY DO YOU ALWAYS MENTION THE SENATE EVERY TIME WE TALK?!
Your Majesty. The senate is a government body who supervises the King!
If we are not on good terms with them, it might cause disorder in the national policy!
It is exactly because the senate exist.
That we, the young courtiers, are allowed to assist you, Your Majesty

Ah...
Your Majesty!!
Dismis-sed!!
STONE HEAD!!
REGUNA YOU IDIOT!
ENOUGH!!
YOU ALWAYS TREAT ME LIKE A KID!!
SFX: Smack
SFX: Slam
.....
Then everyone, let's disperse
He called me a stone head again...
He called you A stone head again
...

Well...
I understand His Majesty's and your point of view...
But for His Majesty to see you, who has been serving at his side since childhood, always side with the senate...
His Majesty cannot help it but to get angry because he felt betrayed...
As he sees you as his family
I hope you can understand him.
Al-though you put it like that...
If anyone else said, "listen to the senate..."
His Majesty won't listen to them either.
Indeed!
SFX: Shuffle
Right.
Angel
You really are a challenge.



You...
Are really worthy of that name.

Angel...
Refers to you?

Yes.
Is it a nickname?
Well...
I don't remember when I got it.
"Just like the messenger of God..."
Always right, no one can dispute."
It is not something worthy of praises.
I see.
I am really curious as to who gave you that nickname.
Whoever gave it to you has really good taste.
Anyway, you are not improving at all.
Be quiet!

Nothing will happen even if you keep staring at it
I know!
Before you complete the answers, the cards could change randomly
Just like when you are making a rough draft, you could just place the card randomly and see what will happen.
Is there a time limit to complete this?
Of course there is!
I just don't know when
What?!
Be at ease
It won't be any time soon.
Even if you hate it, you will know when the time is about up

Are you sure?
Yes
.....
Well, in any case..
Although the time limit is still far away, the night is yet, very short..
And the end will surely come sooner or later.
There is no doubt about that.
The cards...
Other than The Emperor there are still 9 cards remaining.
Even though it seems really simple
I am yet unable to do anything
There is no magic in this world.
So... who is The Magician ...?

Are you...
Also one of the players?
Sage...
The truth is making Regina waver! Will he be able to find the truth?!
.....
Hey..
What..
So it is not magic?
No, it is not
Don't ask such question that will make the future unstable!
Of course I'm not!

Chapter 4

Aki
あき

The white wings I have always aspired after...
The one closest to His Majesty...
One day I will surely become a person like my father
REGUNA!
Ah, Prince Aleutian...
Good morning!
I've been waiting for you, Reguna!!
Huh?

My father said that Klan will bring Reguna to play with me today!
Huh?
I have been waiting for you even before the sun came up!
Let's play!!
Tatoru (sun)...
Prince...
Your Highness, Aleutian...
This...
Reguna came to the city today to do some work
He should be finished by this evening
We can have dinner together then
Work...?!
Amazing, Reguna!
You're already working!
Rather than saying working, it would be more appropriate to say.
He came to pay a formal visit to His Majesty...
Because he can perform basic divinations.
Oh!

Father did say Kian is a Master Oracle officer Very formidable!
Master ?
A Master Oracle officer ?
Is Reguna the same?
I do not know
Yet .
Kian is father's exclusive Oracle
Will you become my courtier...
Like Kian?
.....
Yes...
I... want to become your courtier

Oh...?
Seems like something is happening outside
What is it?
Hey
Reguna isn't done yet.
Clarine
Reguna is still working...
It's about time for dinner, right?
I'm tired of studying all the time
Are you planning to play with Reguna after dinner?
Then please honor your promise with His Majesty and use the time before dinner to study
.....
lie prone

...What is it?
.....
I am not sure...
But it looks like the knights are preparing to dispatch
Is it bandits?
Probably...
But there are too many for it to be just that.
Prince...
I am going to go check on the situation.
Will you please not leave this room under any circum-stances...
バタン。
Click

In the end, father and His Majesty are talking merrily...
They have completely forgetting it's already dark
Boring
Basic divinations are...
A really simple matter.
PRINCE ?!
Huh?!
So fast!
He went that way!
rub
rub
I'm sorry to make you wait this long, Reguna.
You really are a great Oracle.
Tha..
Thank you, Your Majesty
He said that I am great Oracle...
But who knows whether we can repair the waterwheel smoothly or not.
By the way, Kian...
Yeah...
Regarding the matter we discussed last time...
In any case, it is just a trivial matter...
If I'm guessing right or if I am wrong, it doesn't really matter in this situation.
Thus the adult's conversation begins once again.
It starts again...

From the mind of a child
It always feels like I can do much more amazing things
The gap between the fact that I can't catch up with my father's steps and my ideals
Added with this kind of estranged feeling due to the inability to keep up with their conversation
90% of my heart is filled up with these things of discontentment
Anyway
And the remaining 10% is
Other than the water-wheel
It seems like there are some other matters
I shall take this opportunity to do a simple divination
Maybe I will be able to see something

Just until their conversation is over, while I have nothing else to do...
crack
Just a glimpse...
shatter

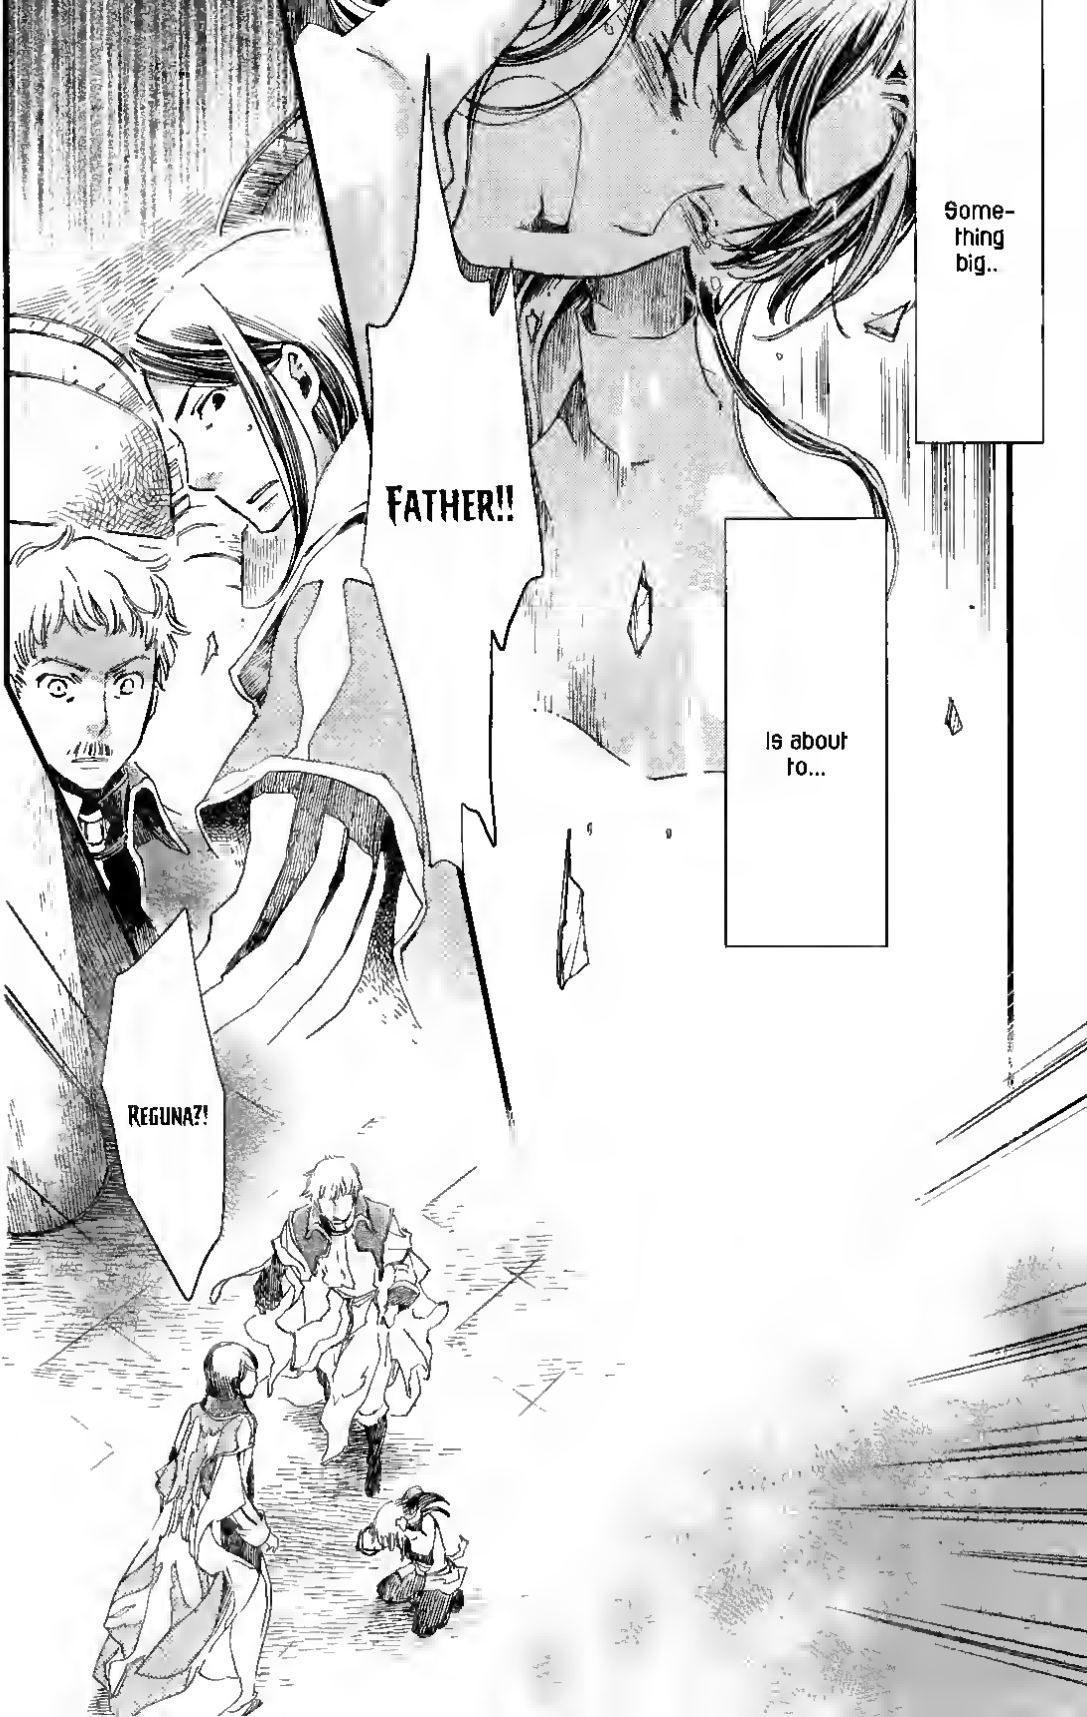
Now that I think about it...

Because humans...

Have limitations,
Throughout this world...

Or exist within a certain range...

In order to prevent them from knowing everything...



Some-
thing
big..
FATHER!!
Is about
to...
REGUNAZ!

What is it?!
What happened?!
What
Could it be...?
Please calm down!
Kian!
Reguna
Calm down and listen to me
Relax. It's alright
Answer me
Where are you?
What do you see?

Where...
Where is this?
There's a strong flood
Of things flowing into my mind
I do not under-stand at all
Calm down!!
Now focus on one thing
What do you see?
A water-wheel?
!
A water wheel
Is it the same Oracle's dream as before?
I think so
This time, it is a bit troublesome
What?!

The water-wheel.
A short while ago, I clearly confirmed that it does not have any problems
If there aren't any problems with it, what on earth happened then?
I don't under-stand either
You don't under-stand either?
.....
.No
I just don't understand
.....That's it
That's it.
Have you become an old muddle-head?
No, I am not!

I heard about it.
Originally, it is a realm that can only be reached by a person of talent who practices continuously...
But there exist some people who can attain the highest level in one step...
However, for our lineage, it is simply a legend.
A legend...?
Incredible!
.....
Then...
What's the bad part of being an Oracle of legendary class?
We know nothing about it.
If Reguna actually sensed and found something, it would mean something is about to happen.
But even Reguna, himself, does not know

In other words
We have no choice but to leave it to Reguna, who is in this state
So it seems
Alright
grab
Then, send some soldiers to the waterwheel!
Hey! Come with me!
??
Please wait..
It's still too early. We still don't know what has happened
Come come!
Your Majesty!!
Send about 15 armed soldiers to the watermill!

Since we don't understand the situation, we first need to check out the place of concern!
In any case, we can't let it go on like this
The burden is too heavy for Regina!
Your ..
If it's not a matter that needs to be handled promptly ..
We can call it a day!
We will investigate it slowly later!
Any objections to that?
Good!
...No... I don't...
Huh?
Alright...
Let's move him now.
How long do you plan on letting your son lie on the ground?!
What do you mean "huh?"
Oh...

You're too flustered
.....
I'm sorry
My head is spinning
There's no helping it.
I shouldn't act like this
Someone come here and help!
But ...
Now I understand how high Reguna's ability is
If you have a high ability, will you be able to see something?
I ... do not know that ...
There is still something that you don't know?
And I even thought that you could see a God
How's that even possible?
REPORTING SIRE!!

We found a great amount of weapons!
In the water-wheel hut .
There are swords and bows all in ready and waiting condition!
THERE ARE ENOUGH THERE FOR A SMALL ARMY!

The wave of chaos, which arose from the oracle's dream that Reguna saw, is...

This is bad ..

THIS IS THE PLACE!

Your Majesty
There are also some weapons in a small house at Seika District
So there are more?
How many?
20
...
The numbers is not big.
Does it mean that there is a main hideout ..?
Or they just want to divide our attention?
Considering the placement of the weapons... the possibility is high.
Indeed ...

Let's see, first ... is North-east ...
Ruce-tta?
Rucetta is patrolling around that area.
We shall receive a report anytime soon.
That guy is not at the country's border?
He just returned yesterday
Didn't you summon him because of the matter regarding Fenfield?
Now that you mention it, I did summon him!
In this kind of situation, we could relax with him here.
oh!
Is he coming with The White Knight's troop?
He said he only brings several knights ..
and he is bringing along the twins from last time ..
Anyway,
Do not count them in.
We need to quickly find the culprit and get to the bottom of it.

I won't be able to find out what everyone wants to know.

REGUNA!
Huh!
YOU HAVE TO HOLD ON, REGUNA!

Does it hurt?
Are you al-right?

Your High-ness
When did you ...
Huh!
Al!
Why are you here?!
Surprised
The Priest is looking for you!
Go back to your chamber!
Hey!
The gate! Where are you looking?
No!

Al
Don't play around!
It is danger-ous here.
Please go back to your chamber
NO!
I WANT TO STAY WITH REGUNA!
BECAUSE, REGUNA IS MY ORACLE MASTER!
But, Your High-ness

Both mine and Reguna's duty is to protect yours and His Majesty's life
Though, this place is inside the palace's wall, it is not as safe as Your Highness' chamber
In order to let Reguna focus on his work, I request Your Highness to move to a safer place
Precisely Al
If you are here, Reguna will be distracted
For Reguna's sake quickly go back to your chamber!

I understand your feelings
Until we identify the culprit, I won't let him leave his chamber
Many people come in and go out of here — It's too dangerous.
Yes.
As we have found so many weapons,
I think the other party is also very anxious.
They might be preparing to make a move.
The question is...
where will they make a move?
Since we still do not know their intentions, we shouldn't act rashly.
.....

Right below? What?
?
Right below, there's a large black mass.
It's probably somewhere in the middle of all that.
How was it? Reguna
Right below, huh?
As I thought, they're almost ready to make their move.
Are they com–ing?
We can go
They are com–ing...
It's alright.
SFX: snap

Rucetta!
Prince Aleutian!
.....
What happened? Why are you at this place?
It has really been a long time Rucetta!
Where have you been?
SFX run
I complied with His Majesty's order and went to the border.
The border?!
South side? North side?
Rather than that, why is your Highness here?
Did you get punished by the His Majesty?
Of course not!
That is not it
To leave your chamber arbitrarily...
Lying is not allowed, Your Highness.
But, Reguna is...!
Oh, Reguna ? Kian-sama's .

What happened to Reguna?
Rucetta haven't heard about it?
This time oracle is done by Reguna!
Reguna is awe-some!
He is already working!
!
...So, it's like this...

Is not one of Kian's...
This 'oracle' ...
REGUNA!

..Ow
So painful ...
The feeling of being hated is so painful.
It contains,
a murderous intention.
Is this the transformation of those feelings?
The core ..
if I don't find the core quickly,
quick!
HE IS GETTING EVEN WEAKER THAN BEFORE!
IS HE ALRIGHT?

He is fine
this level is still fine
But, when you perform an oracle... You are not like this!
Because, I am already used to it
But...
isn't it very painful?!
It is not 'pain', it is more of an 'aversion' kinda thing
for a beginner, this is a mountain, which he needs to climb...
Still ..!!
but in the future, this could only be seen as something ordinary
although it is very painful for a child
This is his task
... You are right
I am sorry
YOUR MAJESTY!

I come to report
Oh Rucetta!
We are waiting for you!
WELL?!
AH
HEY!
WHY IS AL HERE?!
REGUNA!
I inadvertently came with him
...My apologies, I met him on the way here...
Hah...
It's fine
Don't worry about it...
Ah...
REGUNA
There are no abnormalities at Seika district in Northeast
details of the situa--tion?
I got this report from the Black Knight's troop
I see
This 'oracle'
is from Kian--sama's son?
rather than that...
Yes, many things happened
though the responsi--bility of this job is too heavy for a child...
But, it must be done...

Don't say it like that, Rucetta
It is not the time for an argument
Father
here we go again!
it must be done
is it
Can't we stop?
Reguna looks like he is hurting so much
Your High-ness
This is our task
Rucetta!!
Then please, why don't you do it yourself, Klan-sama?!
I want to hear Klan-sama's apology For that reason, I especially came back from the North
this time regarding Fenfield
Your Maje-sty!

.....
Reguna
Even if
you give up because it is too painful, I won't get angry.
.....
Oh ..
I...

I know who is...
hold-ing my hand...
Because...
we are both children.
I don't understand why the adults argue.
I also, don't understand how to hate someone.
We are simply
.....
Found it!
That's it!

I wish to be able to help the adults!
FATHER!
HEY! It's enough, right?!
WELL?!
.....
.....Reguna

Did you get it?
Kian-sama!
You...
SILENCE!
This is our pride
Please don't interfere
Kian!
Reguna
the culprit...
WHO IS HE?

.....
Rucetta,
is it you...?

REGUNA!!
From that day onwards...
Everyone...
started to call me "Angel".
That...
...can't be helped

Heard the voice of God and rescued the King
and you have wings on your back
...any oracle masters gets them
Do you not like it? 'Angel'
.....
...Oracle master is not because they can hear God's voice that they are called an "Angel".
To receive such high compliments, I feel embarrassed..
He really is a fool just like you..
Thank you for your compliment
That was not a compliment
Because...
You are right
We need to do something about it.
It is lead by the vice-leader now...
...So to say..
what happened to the White Knight's troop?

I...
am still a child,
But he is the chariot...
and don't understand the adult's conversation.
We can ask...
...the chariot?
Rante...
If all is well, that Dante...
Dante is not good.
Right... that person...
What will happen to him?
I never knew...
they didn't tell me...
Neither the results nor the whole story.
YOU COME AT A GOOD TIME!
REGUNA!
Only the name 'Angel',
...like a relic from the past, it continues to pass around.

Why is it that only this is valued so low?
HERE!
...How can I be of help?
...Isn't this under Rante's govern-ment?
WHAT?
RANTE TOLD ME TO ASK YOU ABOUT IT!
I don't know much about it
we need to ask Rante for the detailed inform-ation
THAT IDIOT ...!
HE ONLY KNOW HOW TO LAZE AROUND...!
Oh no...
What's wrong?

Your Majesty is still the same, like before.
calling me Reguna'...
Because you said you don't like it, right?
What's wrong? why now...
No
it's just that I sud-denly ..
Remem-bered something from the past ..
?
Then regarding this, I shall ask Rante and once we finish the investigation, I will get back to you
Al-
That right would be great!
Today I have too many things to do
Then, why don't you let me do half of them?
No, it's al-right
just that one is already a big help
Moreover, if I asked you, the budget might be reduced randomly as you please.
if you need it, I won't reduce it.
LIAR!

At that time, I didn't understand anything.
—that's right
that is in the past
if it is my old-self, I will definitely think that this is an adult conversation
"The Commander of White Knight's troop, Rucetta Melan"
A hero at the war at Penfield's border
that day,
he came back from the far away border to receive the award for his contribution
that
why?
I...
want to hear Kian-sama's apology!
'apology'

What did my father do...
Which required him to offer an apology...?
Comma-nder Rante!
You have a guest!
!!
Angel?!
.....
What brings you here?
Oh!
Hold on! I'll come to you!
Don't come here!
You will get dirty!
...that would be lovely!

This is surprising you actually came to this rustic place...
I'm truly sorry you have to stay in this dirty place
I know it's nothing compared to the city...
Here
Oh!
Is this familiar? Did you remember something?
Hey!
I thought Angel would know better...
because, it is not related to numbers
All the materials are here at your place. How is it possible that I understand it better than you?!
Before the day pass, bring me the materials and the values, which have been calculated
EH...!!
Wah~
Hey
why are you...
the amount of work that needs to be done is huge
Who was the person that wanted me to do all those?
Ugh...

Just get Dante to help and you will be fine...
You are actually able to say the hardest thing in the world with such an indifferent face...
Seriously, how many pages are there in here?
Dante... well he doesn't understand numbers other than the number of enemies and the time to eat...
haah
Hmm is he...?
Aren't you exagge-rating a bit?
I'll just do it myself...
In short, it is caused by that Nero Torarudo.
Other than this, I know nothing...
what did you say?
...what?
About
Nero. some-thing?
HUH?
Huh?

Don't tell me Angel, you ..
Don't know about Nero Torarudo?!
I don't have time to ask something I already know
So, what is it?
.....
Nero Tora-rudo
Is Dante's alias
Alias?
Knights in this area have a bad reputa-tion ..
Around 10 years ago
at Fenfield's border, there were many small conflicts
At that time, Dante and I were assigned to that place
Dante at that time
was so scary!
'Fenfield'

He was so scary that it reminded the Fenfield's knights...
Of a God from this country's folklore .
I don't know which God it was, but...
The chariot that he rode into battle had the name "Nero Torarudo"
So they named him
'Nero Torarudo'
I think its meaning is "The Black Chariot"

So...
you put 'The Chariot' here?
.....
There should be a limit to being naive.
SHUT UP!
You also didn't give any useful hints, so don't complain!!
I did think about it in gen--eral
How?
There are 2 horses on the chariot card
Rante and Dante are twins so
White knight and
Black knight!
from the looks of it, there shouldn't be any problem
.....
That's awesome?
Serious
Though you are a fool, I can feel your hard work.
.....

...so you trust your father
that is also acceptable!
my father also called him "the chariot"
around 10 years ago
and
Father
is the person that I admired the most
He is the symbol of justice
He is my guide to everything
around 10 years ago!
apology
I remember about Fenfield
I always want to become
a person like my Father

At Fenfield
a chariot
an apology
10 years ago
Fenfield
Is that
An unimportant matter...
or is it pointing in the direction of another event?
SFX creak

The town's
stinky smell of a fox, which came out from those feathers
There is a smell that I hate
It would be better to kill him after all
.....
Dante
It has been 10 years

[Is there any relation between the things from the past and the current situation?]
[What is the meaning of Dante's words?]
